3. IPC10's administration support team can assist people through the Australian Embassy (as this is where we are based). The application form for a visa through the Australian Embassy can be found here: <http://www.jordanembassyus.org/new/consular/pdf/visaapp.pdf>

Please note that as with all visa applications around the world this form along with a valid passport (within 6 month expiry), a prepaid self addressed envelope, one photo and a money order in the amount of \$78 AUD (Single entry for one month starting from the **date of issue**) or \$108 AUD (double entry for 3 months from the **date of issue**) is required for each application, no discounts for group or bulk applications. **Please also be aware that if you were to have your visa (single entry) issued more than a month before the IPC begins it may expire before your arrival.**

With every option the process is the same, it is just a matter of Embassy location. It is very straight forward however the time frame in submitting and then receiving would be a factor to consider as well as ensuring that the passport is sent and returned in registered airmail.
